

“Fresh 48” Newborn Photo Session

The Riverside Family Birthing Center is proud to partner with Mila Mae Photography to offer you a “Fresh 48” newborn photography service. Mila Mae will capture precious early moments of your newborn and your family during your hospital stay. If you have any questions or need further assistance please call (630) 390-4394.

Photography Session Details:

- You will be able to select your favorite images from an online proofing gallery. The gallery link will be sent to the email you provided to the staff.
- To select your favorite images, simply “heart” them in the online gallery via phone or computer.
- If you choose only 3 images, there is no additional cost as these are included in your hospital stay.
- Each additional image is available at \$10 per image.
- You have the option to purchase the entire gallery for a special price of \$150.
- Please ensure that the email address you have provided is correct.
- After you have made your selection, your chosen images will be professionally edited and delivered to you in high resolution.
