Thank you for choosing Riverside Rehab Services Physical Therapy for your Aquatic Therapy. Please fill out the forms in this packet prior to your first therapy session with us and bring them to your first appointment. Read all of the material and complete the forms to the best of your ability. Leave blank any areas you may need help with or have questions on. The forms are intended to provide your caregivers with accurate information about your back pain and overall health.

Your First Visit

For your first visit, please arrive 15 minutes early to be registered into our computer system. Please bring the following with you:

- 1. This packet filled out
- 2. Your prescription for therapy
- Your insurance card
- 4. A picture ID
- 5. Your appointment calendar to schedule follow up visits

Wear comfortable clothes and shoes. The therapist typically spends 30 minutes to 1 hour completing your initial evaluation. Your first session will not be in the pool so you do not need your swim gear on day one. At your first visit, the therapist will orient you to the pool and what preparation you need for your first pool session.

Call 815-928-8324 if you have any questions prior to your first visit.
