- Excellent school districts and educational opportunities

The Ideal Candidate

The Riverside Medical Group is actively recruiting a new OB/GYN to join our existing employed group. The ideal candidate is a team-oriented, friendly, and ambitious individual who is BE/BC. Experience is appreciated, but not required. This physician will serve as an additional provider at our existing clinic in order to continue growth.

The Practice

Riverside Healthcare's Women's Health Specialists practice currently consists of four employed OB/GYNs. Doctors Yalamanchili, Andrews, Akinde, and Kwakye-Ackah (Zelda) are focused on serving their patient base by providing high-quality, comprehensive care. In 2023, they:

- Delivered 700 babies
- Saw a combined total of 15,615 patient visits
- Saw nearly 63 new patients every month
- Saw approximately 22-32 patients every single day

The Organization

Riverside offers clinical excellence, superior quality and safety. The Riverside Medical Group is composed of 145 providers and have a "voice" in how their practice is run. With consistent leadership, financial stability and a continued growth strategy in place, Riverside Medical Center has earned national recognition. At Riverside, candidates can expect to find spacious labor & delivery suites, a newly renovated OB/GYN clinic, a brand new DaVinci XI robot, EPIC EMR, a Pediatric Hospitalist Program, and more!
