The Ideal Candidate

The Riverside Medical Group is actively recruiting a new Neurologist to join our existing employed group. The ideal candidate is a team-oriented, friendly, and ambitious individual who is BE/BC. Experience is appreciated, but not required. This physician will serve as an additional provider at our existing clinic in order to provide patients with excellent quality of care and further organizational growth.

The Practice

Riverside Neurology Specialists is comprised of 3 neurologists, 3 psychologists, and 2 nurse practitioners. Their team and practice take a collaborative, comprehensive approach to diagnosing, evaluating, and treating neurological disorders and other diseases of the brain, spinal cord, nerves, and muscles. A group of tele neurologists covers all call needs and there is very little competition in the area.

The Organization

Riverside Medical Center offers clinical excellence, superior quality and safety. The Riverside Medical Group is composed of 145 providers who have a “voice” in how their practice is run. With consistent leadership, financial stability and a continued growth strategy in place, Riverside Medical Center has earned national recognition. At Riverside, candidates can expect to find an outpatient practice with flexible scheduling, state-of-the-art facilities and equipment, J-1 visa sponsorship, full administrative support, EPIC EMR, financial success, and more!
