The Ideal Candidate

The Riverside Medical Group is actively recruiting a new Outpatient Child Psychiatrist to join our existing employed group. The ideal candidate is a team-oriented, friendly, and ambitious individual who is BE/BC. Experience is appreciated, but not required. This physician will serve as an additional provider at our existing clinic in order to provide quality patient care and further organizational growth.

The Practice

Riverside Healthcare's Psychiatric Specialists is comprised of seven providers. This team provides comprehensive psychiatric evaluations, various forms of psychotherapy, reassessments, medication management, and coordinates care with primary care physicians. Our providers help patients seeking care for a variety of illnesses, including depression, anxiety, panic, schizophrenia, substance-related illnesses, and attention-deficit disorders.

The Organization

Riverside Medical Center offers clinical excellence, superior quality and safety. The Riverside Medical Group is composed of 145 providers who have a "voice" in how their practice is run. With consistent leadership, financial stability and a continued growth strategy in place, Riverside Medical Center has earned national recognition. At Riverside, candidates can expect to find an outpatient practice with flexible scheduling, state-of-the-art facilities and equipment, J-1 visa sponsorship, full administrative support, EPIC EMR, financial success, and more!
