The Ideal Candidate

The Riverside Medical Group is actively recruiting a BC/BE pulmonary/critical care physician to join a hospital-based group of 3 physicians and two advanced practice providers. The ideal candidate is a team-oriented, friendly, and ambitious individual. Experience is appreciated, but not required. This physician will serve as an additional provider at our existing clinic in order to provide quality patient care and further organizational growth.

The Practice

Riverside Healthcare's Pulmonology Specialists are comprised of five providers. This team cares for people with asthma, emphysema, chronic obstructive pulmonary disease, cancer, sarcoidosis, and other lung illnesses. Our pulmonologists work closely with Riverside's Sleep Center to assess and treat people experiencing sleep disorders such as sleep apnea, narcolepsy, and insomnia. We also provide critical care services to hospitalized patients.

The Organization

Riverside Medical Center offers clinical excellence, superior quality and safety. The Riverside Medical Group is composed of 145 providers who have a "voice" in how their practice is run. With consistent leadership, financial stability and a continued growth strategy in place, Riverside Medical Center has earned national recognition. At Riverside, candidates can expect to find an outpatient practice with flexible scheduling, state-of-the-art facilities and equipment, H-1B visa sponsorship, full administrative support, EPIC EMR, financial success, and more!
