- Great variety of local restaurants, bars, and wineries
- Excellent school districts and educational opportunities

The Ideal Candidate

The Riverside Medical Group is actively recruiting a new Interventional Pain physician to join our existing employed group. The ideal candidate is a team-oriented, friendly, and ambitious individual who is BE/BC. Experience is appreciated, but not required. Average 15-20 patients a day. This physician will serve as an additional provider at our existing clinic in order to provide quality patient care and further organizational growth.

The Practice

This is a 100% outpatient interventional non-opioid, no-call practice. Candidates can expect a fully staffed and equipped new state-of-the-art Ortho-Spine clinic as well as full access to equipment and procedure suites. Additionally, there is a large primary care base and a well-established neuro-spine practice serving as a strong referral base.

The Organization

Riverside Medical Center offers clinical excellence, superior quality and safety. The Riverside Medical Group is composed of 145 providers who have a “voice” in how their practice is run. With consistent leadership, financial stability and a continued growth strategy in place, Riverside Medical Center has earned national recognition. At Riverside, candidates can expect to find an outpatient practice with flexible scheduling, state-of-the-art facilities and equipment, full administrative support, EPIC EMR, financial success, and more!
