- Full network of support services
- Collaborative administration
- Large in-house referral base
- State-of-the-art facilities and equipment
- EPIC EMR

The Ideal Candidate

The Riverside Medical Group is actively recruiting a second Hand Surgeon to join our team. The ideal candidate should be fellowship trained, board eligible or board certified and collegial. This physician will join four other orthopedic surgeons, two PAs, and one nurse practitioner providing high-quality care to our patients and continued growth for the department and organization.

The Practice

Riverside's Orthopedic Surgeons specialize in a wide range of conditions and see patients of all ages, including children, adolescents, adults, and seniors ages. Some patients may need surgery and rehabilitation while others can be treated with nonsurgical approaches. Riverside offers all of the resources needed to ensure quality patient care and a thriving orthopedic program for the years to come.

The Organization

Riverside Medical Center offers clinical excellence, superior quality and safety. The Riverside Medical Group is composed of 145 providers who have a "voice" in how their practice is run. With consistent leadership, financial stability and a continued growth strategy in place, Riverside Medical Center has earned national recognition. At Riverside, candidates can expect to find a thriving practice, collegial orthopedic team, new state-of-the-art Ortho & Spine Center, walk-in clinic, onsite hand therapy, large employed referral base, financial stability and success!

The Community

- Physicians can live in a one hour radius of Chicago
- Fantastic school districts, family activities, festivals, and farmers markets
- Lower cost of living in Kankakee County than the city and suburbs
- Great variety of local restaurants, bars, and wineries
- Excellent school districts and educational opportunities
